

DEUTSCHE BÖRSE
GROUP

Knowledge Breeds Liquidity.
Capital Markets Academy
Deutsche Börse Group

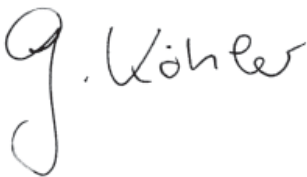

Success is the dividend of knowledge

Deutsche Börse Group has centralized its training and education activities into one single unit: the Capital Markets Academy. In this way, one of the most successful exchange organizations worldwide ensures a steady transfer of know-how into the markets.

We are at the very source of specialist know-how, working every day to develop knowledge and enhance expertise as part of training and ongoing education. This continuous know-how transfer serves to enhance market quality for our customers.

Leveraging our educational skills and the strength of our organization, together with reliable partners we focus on Deutsche Börse Group's core area of expertise: global capital markets.

Welcome to the Capital Markets Academy in Frankfurt/Main.

Gudrun Köhler,
Head of Capital Markets Academy

The Capital Markets Academy at a glance

For customers of Deutsche Börse Group, the Capital Markets Academy is a one-stop shop for all training and education activities. We are the primary contacts for capital markets participants, offering a carefully balanced range of seminars, workshops, certificate courses and studies with a focus on securities trading, clearing and settlement.

Renowned lecturers combine the latest research with hands-on trading experience. Recognized experts provide new insights, researched by practitioners for practitioners: combined, these principles ensure a continuous transfer of knowledge between Deutsche Börse Group and financial markets participants.

“Exchange knowledge made by Capital Markets Academy” is also available in London, Paris, Zurich or Chicago.

Knowledge transfer from the core

Deutsche Börse Group, with its vast array of skills and expertise, is at the very core of our offer.

Our training and education activities are structured in three segments, in line with the target groups we serve. In this way, we can ensure that you will find the right offer to match your requirements.

Member Training – Specialist Training for the Exchange Environment

We offer systems trainings and specialist seminars in the areas of trading, clearing and settlement, capital market trends, as well as tax and legal issues, to intermediaries, traders, back office staff and capital market professionals. On behalf of the responsible authorities, we conduct trader examinations for FWB® Frankfurt Stock Exchange and Eurex Germany, exchange organizations under public law; we also develop these exams on an ongoing basis.

Academic Training – Continued Professional Development

If you are a capital market professional looking to advance in your career, our study programs and certificate courses encompassing the capital markets and Deutsche Börse's systems platforms are just the ticket for you. Each of these courses is concluded with a highly recognized diploma.

Private Investor Seminars – Instructive and Interesting

Our evening courses and specialist seminars provide you with fundamental knowledge on the cash and derivatives markets, as well as on securities analysis and stock market psychology – all in a straightforward, easy-to-follow manner.

Lecturers

The Capital Markets Academy works with recognized experts, including market professionals from within Deutsche Börse Group and external partners, university professors holding renowned financial chairs, and high-profile financial community representatives.

Partners

We leverage our cooperations to package a great variety of skills, thus creating top-quality courses that impart capital market know-how with a focus on our target groups. For example, we have joined forces with ebs FINANZAKADEMIE, Oestrich-Winkel (an entity of European Business School), Johann Wolfgang Goethe University in Frankfurt/Main, as well as with media partners such as BÖRSE ONLINE.

Tools

Computer-based training (CBT) and web-based training (WBT) allow you to customize the training sessions to your own schedule.

Web Portal

Our website is your ticket to a new future with exciting career opportunities. It offers numerous benefits when selecting and booking seminars and exams: the online availability status indicates where and when spaces are available – pick yours now! Documents to assist you with your preparations for a successful exam are available for downloading.

Advice

We are happy to help you customize your exchange skills and knowledge. Please do not hesitate to contact us with any questions you may have – whether you are looking for an evening course, a specialist seminar, or a CPD studies program.
