integrate topics of sustainability in companies’ business activities.

Eurofi
www.eurofi.net
2014
Eurofi is a not-for-profit organisation providing a platform for exchanges between the financial services industry and the public authorities addressing issues related to the evolution of financial regulation and supervision and the economic and monetary context impacting the inner-European financial area.

Federation of European Securities Exchanges (FESE)
www.fese.eu
1973
The Federation of European Securities Exchanges (FESE) represents 35 exchange organisations. The strengthening of competition as well as the raising of public awareness regarding the relevance of trading centres are the goals of this interest group.

Frankfurt Main Finance e.V.
www.frankfurt-main-finance.de
2009
Frankfurt Main Finance aims at strengthening Frankfurt as a financial centre in global competition. The organisation’s objective is to develop a competence network between the trading centre Frankfurt and its international partners.

Green and Sustainable Finance Cluster Germany e. V.
www.gsfc-germany.com
2018

International Organization of Securities Commissions (IOSCO)
www.iosco.org
1990
The International Organization of Securities Commissions (IOSCO), located in Madrid, is an international organisation of exchange supervisory authorities. It develops and implements internationally recognised standards for securities regulation. Approximately 130 securities regulators and 90 other securities markets participants are among the members of IOSCO.

Net Zero Financial Service Providers Alliance (NZFSPA)
www.netzeroserviceproviders.com
2022
PHINEO gemeinnützige AG 2010

www.phineo.org

Under the auspices of the principle shareholders Bertelsmann Stiftung and Deutsche Börse AG (since 2018 non-profit-making shareholder), the non-profit corporation PHINEO launched its operations in May 2010. The analysis and consulting firm is exceptional in its cross-sector group of partners which comprises renowned business representatives (KPMG and PwC, amongst others) as well as important stakeholders from civil society (such as Stifterverband). In addition, the innovative approach creates structures to sustainably strengthen the non-profit commitment through transparency and professionalism.

PHINEO successively examines socially relevant topics (such as child poverty and climate protection) regarding civil society’s role and aid approaches as well as the locally operating non-profit organisations within the framework of a multilevel (cost- and risk-free) due diligence in terms of their strengths and weaknesses.

PRI Association

www.unpri.org

Sustainable Stock Exchanges (SSE) 2014

www.sseinitiative.org

The Sustainable Stock Exchanges (SSE) initiative is a peer-to-peer learning platform for exploring how exchanges, in collaboration with investors, regulators, and companies, can enhance corporate transparency – and ultimately performance – on ESG (environmental, social and corporate governance) issues and encourage sustainable investment.

Umweltforum Rhein-Main e.V.

www.umweltforum-rhein-main.de

UN Global Compact 2009

www.unglobalcompact.org

The UN Global Compact is an initiative for companies that are committed to aligning their operations and strategies with ten universally accepted principles in the areas of human rights, labour, environment and anti-corruption. It is the broadest and most important network for corporate social responsibility issues.
The Verein für Umweltmanagement und Nachhaltigkeit in Finanzinstituten e.V. (Society for environmental management and sustainability in financial institutes, VfU,) is a network of financial service providers from Germany, Austria, Switzerland and Liechtenstein. The society and its members have been working on the development and implementation of innovative and sustainable solutions for financial service providers with the objective of increasing the contribution of the financial industry towards a sustainable development.

The World Federation of Exchanges is an international organisation of stock and derivatives exchanges. It offers members guidance in their business strategies, and in the improvement and harmonisation of their management practices. Among other activities, it posts market statistics and business news, sponsors research and promotes standards for securities business conduct.
